

Do you need a COVID 19 escape?

Get the complete 34-year collection of Central States Association Newsletters!

Terry Schubert (OH), Central States Association Newsletter Editor *Emeritus*

Are you tired of watching TV reruns and want to think flying?

Are you stuck for a solution to your canard airplane problem?

Do you want your canard to fly faster on less fuel?

Consider this solution.

End sorting through an 18" stack of CSA Newsletters containing more than 4600 pages to find solutions that are proven to work.

Have a complete set of Central States Association Newsletters from 1985 to 2020 on a quick to search flash drive.

Stop sorting through several over loaded 3-ring binders that fall open

to hopefully find the article you need.

Have the ability to go right to the article you want at the push of the button thanks to a sortable index.

Have all this for \$100, less than 2 cents per page.
