[The Canard Aviators's Mailing list]

Thanks for all the information on covers. I called around and this is what I found out:

Bruce and Debbie Elkind No longer in the EZ cover business.

Bruce Custom Covers 989 E California Ave Sunnyvale, Ca 94086 800 777 6405

Appears to be more of a year-round cover than a travelling type. Not canvas, but seems too bulky and heavy for a travelling cover. Cost \$385.00

Custom Cabin Covers P.O. Box 77031 Ocala, FL 34477

Phone/FAX: (352) 237-1811

A canvas cover suitable for year-round use. Seems too bulky and heavy for a travelling cover. Cost about \$118.00. Covers tail to spinner and won't fit on an airplane with a 3 blade prop.

Dorothy Dickey (520) 685-3148 mreracer@primenet.com

A lightweight nylon cover that goes from nose to the back edge of the cowling. Weight is about 2 lbs. She'll make your choice of carrying bags for the cover - a round one that measures about 12" x 8" or a flat one that can fit behind an EZ seat cushion. A one color cover is about \$225.00 and a two color is about \$250.00. She'll send photos via email.

Since I was looking for a lightweight cover just for overnighters, I'll probably order one of Dorothy's covers.
